**Terms and conditions**

The following terms and conditions apply to all sales and deliveries, unless otherwise agreed in writing. Special agreements are only valid if they are legally signed by ag möbelfabrik horgenglarus.

**Offerings**

Our offers are non-binding. Contracts are only valid after our written confirmation. Illustrations in our sales documents, price lists and brochures are not binding. Construction, material and design are subject to change at any time. Price adjustments are possible at any time. Orders placed can only be changed if the changeover is possible without further ado. In case of changes or cancellation of the order we reserve the right to charge an appropriate compensation. Changes requested by the customer will result in a postponement of the delivery date.

**Delivery date**

Delivery dates are only approximate unless a fixed date has been promised in writing. For fixed dates, delivery takes place on a daily basis. In the case of a call-off order, the call-off must take place at least 14 days before the desired delivery date. In the event of delayed delivery, there is no claim for damages. ag möbelfabrik horgenglarus is entitled to make partial deliveries. Each partial delivery can be invoiced separately.

**Despatch**

Shipment is at our discretion. ag möbelfabrik horgenglarus is entitled to deliver the goods unpacked at any time. Goods may only be returned with our written consent. The goods must be returned in their original packaging. If the customer is responsible for a return, the transport costs will be charged at 6%.

**Transfer of risk**

The risk passes to the buyer with the dispatch of the goods ex works of ag möbelfabrik horgenglarus, even if ag möbelfabrik horgenglarus has assumed other services (e.g. assembly).

**Fare**

The prices include packaging, net of all charges, taxes, transport and assembly costs or similar charges, in accordance with the current price list. Prices can be changed at any time without prior notice. The current price level of ag möbelfabrik horgenglarus on the day of order is binding.

**Payments**

Delivery will be made against 50% prepayment, the remaining 50% must be paid within 30 days of the invoice date. The advance payment shall be deemed to have been made as soon as we are free to dispose of the money at our bank. The customer may only offset undisputed or legally completed counterclaims against our claim.

**Export**

The price list is a net price list ex works. The prices do not include VAT or country-specific taxes. The price does not include costs for customs clearance and import fees to an exporting country. This corresponds to the allocation according to EXW. ag möbelfabrik horgenglarus reserves the following types of settlement: DDP (place) = delivered, duty paid; DAP (place) = delivered, duty unpaid; EXW (Glarus) = ex works. ag möbelfabrik horgenglarus accepts no liability for loss of or damage to the goods due to unrest or theft after crossing the border from Switzerland. It is left to the buyer to insure the goods against these risks. ag möbelfabrik horgenglarus is entitled to adapt or change export conditions without prior notice.

**Shortcomings**

Defects in the delivered goods, quantity deviations or wrong deliveries must be reported in writing at the latest 7 days after receipt of the goods, hidden defects immediately after discovery. Otherwise the customer loses his right to complain about defects. This also applies if the goods are handled improperly or modified without our consent. In the event of justified complaints, ag möbelfabrik horgenglarus will deliver shortfalls or, at our discretion, repair, exchange or take back the goods or grant the customer a reasonable price reduction. If a repair or replacement delivery fails, the customer can demand a price reduction. There is no right to return the goods (conversion).

### **Damages in transit**

We are liable for transport damage under the same conditions as the carrier. Externally recognisable transport damage must be reported to the carrier immediately upon acceptance of the goods by making a note on the transport documents and must be confirmed to us in writing within 7 days. Hidden damage must be reported to the carrier in writing within 7 days and confirmed to us in writing. If the customer does not comply with the notification period, he loses his claims against us.

### **Claims for damages**

Claims for damages against us only arise if damage has been caused by us through gross negligence or intentionally. Our liability is limited to the damage foreseeable as a result of this error. Otherwise, claims for damages against us are excluded. If the customer withdraws from the placed order or does not fulfil the contract on his part, we can demand 30% of the order sum as compensation. We shall be free to assert demonstrably higher damages.

### **Material tolerance**

Wood, leather and stone are natural materials. Deviations in structure and colour as well as natural adhesions, oxidations and small intergrown knots are no reason for complaints. Changes in colour during the aging process are natural. There are species of wood that fade slightly, others become more intense.

### **Customer materials**

For material supplied by customers, we do not assume any processing guarantee. The white upholstery price is identical to the price for «fabric». The quality of customer materials must be checked by the customer. We are not liable for colour defects, wood defects or weaving faults. No claims for damages can be asserted for a processed error. If a part has to be produced a second time due to a defective material delivered, we are entitled to invoice the work on a time and material basis.

### **Technical Specification**

We are entitled to change design details, dimensions and materials at any time without prior notice or to adapt them to market requirements.

### **Guarantee**

Our warranty only covers technical defects. Improper handling, willful damage and overuse are excluded from the warranty. Natural wear and tear through use is not covered by warranty. The warranty period begins on the day of delivery to the customer. The degressive warranty period is 5 years.

### **Applicable law, place of performance, place of jurisdiction**

These terms and conditions are subject to German law. Place of performance and jurisdiction for disputes with v. Nordeck Vertriebs GmbH is Bielefeld, Germany. Should individual conditions be ineffective, the remaining conditions remain unaffected.
